The actual Estimate is Rs 3330, half of which being payable by the Municipality & by the Opinion of the Executive Engr, the work does not seem to materially influence the water supply of the town (vide E.E. last portion). The Municipality want 7 years for repayment of their share (7 E M). That is to say, Govt have to meet the full expenditure. Under this circumstances, if it is considered to start this work, the D.C. will have to intimate accordingly.
